Spring/Summer 2025

*...a rebirth of the spirit*

# CHAKAR

*Spring/Summer 2025*

*Forunderlige harmoniske  
farver og former*

*Unikke håndlavede strukturer*

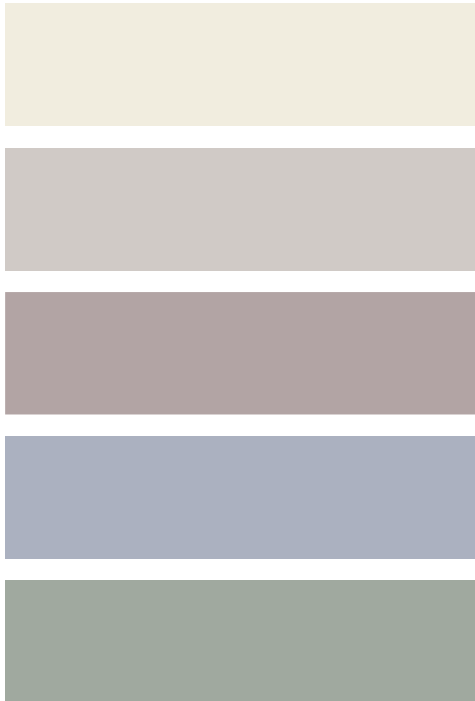

*Naturen inspirerer os igen med alle sine forunderlige organiske former og overflader*

*Organiske overflader der imiterer naturen*

*En balance mellem skønhed og harmoni som opfordrer os til kreativt at imitere farver og strukturer.*

*Vi er stolte af igen at kunne præsentere vores nye univers.*

*Så lad os inspirere jer til den nye sæson.*

*Med mange forårshilsener*

*Britt Rønhoff*

*Naturlige forunderlige og skønne strukturer*
